**A SPECTACULAR ACCIDENT ON THE HIGHWAYS** by Akiane Melly

On the morning of February 1st, 2023, a road accident took place on the busy highways of Algiers, Algeria. The accident involved two vehicles and caused significant damage to both cars.

The terrible accident happened when one of the drivers was trying to change lanes and collided with the other car. The impact caused both vehicles to turn out of control and bang into the median. The police arrived at the scene of the accident within minutes and started to investigate the cause of the crash.

According to bystanders, the Audi driver was at fault. They added that he overtook two trucks at a fast pace, lost control of his car at the sharp bend, and violently bumped into the Skoda causing it to spin and roll over. The cars were severely damaged, and the drivers of both cars were taken to the hospital for medical treatment. Fortunately, no one was seriously hurt; they only suffered minor injuries such as bruises and cuts. The police issued a warning to all drivers to be more careful on the roads and to pay attention to their environment. They also stressed the importance of respecting traffic laws and regulations to avoid accidents like this one.

In conclusion, the road accident on February 1st, 2023 was a wake-up call for all drivers to be more cautious on the road. "Let's all work together to make our roads safer for everyone.", said one of the police officers.

**Activity One: Circle the best answer to complete the statement. 1.5 pt**

- A- This text is a ...report. a) research b) survey c) news  
B- The reporter wrote about a car... a) collision b) sale c) race  
C- The accident caused serious...damage. a) environmental b) material c) human

**Activity Two: Complete the following table with elements of information from the text. 1.5 pt**

What?	When?	Why?	Who?	Where?
