Hello friends! My name is Amine. I'm a 2nd year pupil at BACHIRI Abdelkader middle school in CHLEF. I want to show you some places at my school.

My beautiful school has two floors, the ground floor and the first floor. The administration is next to the staff room. I study at classroom 3, it is at the corner. We have 2 science labs: science lab 1 is between science lab 2 and informatics lab. The sport ground is also at corner. The parking is on the left of the administration and the green club is behind the library.
