

Second Term English Exam

Text :

Khadija loves shopping especially clothes! She usually goes to ‘Beb Ezzouar’ or ‘Ardis’. They are big supermarkets in Algiers. She prefers department stores to shop. They have a wide range of things. You can find clothes of the four seasons; beautiful t-shirts, skirts, jeans, trousers, dresses, accessories like sunglasses, caps.....

There are also raincoats, boots, shoes, jackets, hats, gloves and umbrellas. She also likes going to “Le Printemp”; it has sales all year round, so prices are much cheaper. She usually goes there five times a year with her family.
