Text:

One morning, I got up with the feeling that the day was going to be an unlucky one for me. How right it was! It was already 06:15 a.m. I rushed into the bathroom. I did not see a piece of soap lying on the floor. I stepped on it and slipped, almost breaking my back in the process.

Next, I went into the dining room for my breakfast. I gulped down the tea without realizing that it was very hot. It burnt my tongue. I spat it out and could not eat anything because it hurt. I got dressed and rushed to the bus stop. Unfortunately, I just missed the bus. My heart sank and I knew that I would be late for school.

When I arrived there, I found my name was already taken down by the teacher. He scolded me for being late. To my humiliation, I was made to stand outside the class. I was so upset by the incidents that I could not study properly. But worse was to come...

After school, I was on my way home when something hard hit me on the head. Someone had thrown a bag of fish bones out of the window and it landed on me! I was boiling with rage but could do nothing.
